

# ***Incident Command System (ICS)/ Emergency Operations Center (EOC) Interface Course Information Sheet***

---

## **G191 Incident Command System (ICS)/Emergency Operations Center (EOC) Interface**

Location: Atlantic County Office of Emergency Management,  
Canale Training Center

Dates: June 27, 2013

Time: 8:30 a.m. - 4:00 p.m.

### **Additional Information:**

- G191 Incident Command System (ICS)/Emergency Operations Center (EOC) Interface is a required course for the FEMA [APS Certificate](#).
- **Recommended Pre-Requisites:** IS-100.b, *Introduction to the Incident Command System (ICS)*; IS-200.b, *Incident Command System (ICS) for Single Resources and Initial Action Incidents*; and/or EOC Management courses.

### **Course Purpose:**

This course provides an opportunity for participants to begin developing an ICS/EOC interface for their community. The course reviews ICS and EOC responsibilities and functions and depends heavily on exercises and group discussions to formulate the interface.

### **Course Objectives**

At the end of the course, participants should be able to:

- Describe ICS principles.
- Describe MAC/EOC principles.
- Identify the roles and responsibilities of ICS and EOC during emergency operations.
- Using scenarios, analyze the ICS and EOC systems and identify various interface issues.
- Apply ICS/EOC interface concepts in an exercise situation.
- Begin developing an ICS/EOC interface action plan for your community.

### **Target Audience**

The target audience includes personnel associated with:

- On-scene Incident Command.
- EOCs and Multiagency Coordination (MAC) System entities.

This 1-day course works best when delivered to emergency operations center personnel from the same community, so co-workers are encouraged to register. Exercises and group discussions are used extensively to allow participants to begin developing an interface plan for their jurisdiction. Participants should be teams made up of a community's ICS and EOC personnel. Class size limited to 25, registration is required: [NJOEM Training Application](#).
